About this certificate

Our Teaching English to Speakers of Other Languages (TESOL) certificate will provide you with a thorough introduction to current research, teaching theory, principles and practices in English language teaching. You will have the opportunity to observe actual language classes, plan and teach real lessons and carry out research on language learning and teaching.

TRAVEL. TEACH. EXPERIENCE.

This course will give you the opportunity to discuss and debate issues related to teaching second and foreign

languages. You will also develop your knowledge of how theory can inform practice in second and foreign language education. You will deepen your understanding of key concepts and ideas, and develop your ability to select, design and evaluate language teaching materials.

CAREER REPORT, MAY 2024

Is TESOL the *only* certification?

No

Other certifications are:

- **CELTA and DELTA:**

Focuses on teaching adults.
(Usually more expensive, lengthier and requires a career break)

- **TEFL:**

Similar to TESOL and focuses in teaching English as a Foreign Language

- **ESL Degree:**

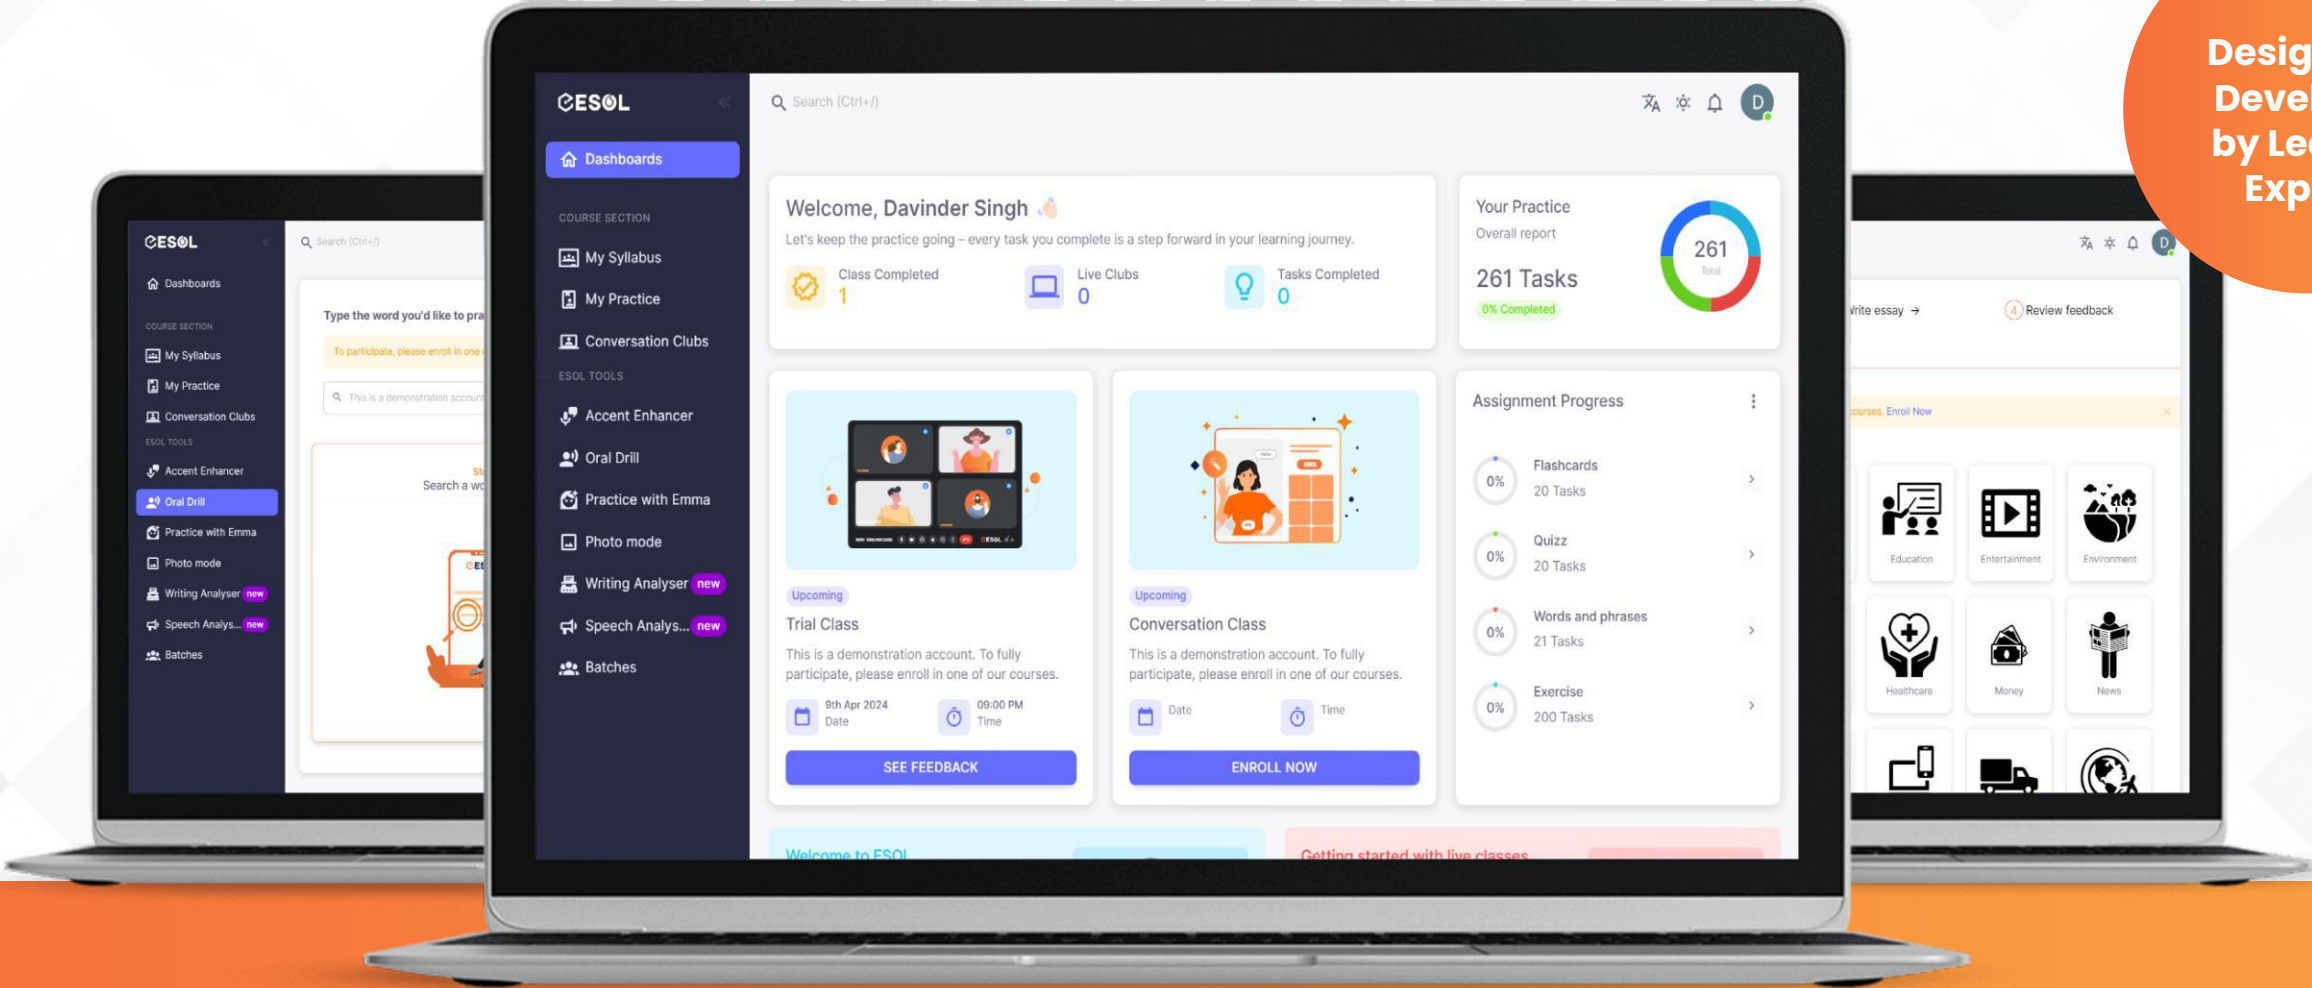

Either an undergraduate or a graduate degree.

TESOL focuses on teaching English to different age groups, it's faster and more widely accepted!

Train for your certTESOL

Overview:

certTESOL is adaptable, innovative, and ready to help you progress in your career. We welcome new graduates and experienced teachers alike. We have trained students for over 10 years, with expert teaching and world-class facilities.

You'll benefit from access to the online course platform, where your course materials, including live lessons and readings, will be available, allowing you to learn in your own time and fit your studies around your schedule. Your learning will be complemented by ten-hour weekly, live online tutorials with a teacher trainer of the course team, giving you the opportunity to discuss the course material in small groups and ask any questions you may have.

Upon graduation, you'll be able to reflect critically on established good practice in the TESOL profession, your own practices and how such practices can be adapted for various teaching and learning contexts. You'll be well equipped to make progress as an advanced English language teaching practitioner or manager in a variety of different national, regional and cultural educational systems.
