I've advanced from tutor to lead accent coach after this certification.
- Lead Accent Coach, MNC, India

About this Course

The Voice & Accent Trainer Certification course spans **40 hours (20 hours live input sessions + 20 hours digital tasks)** and is tailored to equip participants with the necessary skills to effectively train others in voice modulation and accent modification.

Ideal for aspiring voice and accent coaches, current language instructors, or graduates of linguistics programs, this comprehensive course welcomes individuals from diverse backgrounds, including those with soft skills expertise or those seeking a career transition. While prior knowledge of phonetics is not obligatory, participants are expected to possess a proficient level of English (equivalent to IELTS band 7.0 and above) coupled with strong verbal communication abilities.

Why take this Course

- Gain a **prestigious Cambridge Veritas certification**, enhancing your professional credibility
- Join exclusive **Voice & Accent Weekend Clubs** for ongoing practice and networking
- Access **practical teaching opportunities** to apply your skills in real-world settings
- Participate in regular **CPD (Continuous Professional Development)** webinars
- Develop the ability to create engaging and effective accent modification **lesson plans**
- Master the art of providing **targeted feedback** using phonetic descriptors

This Course includes

- Comprehensive **lesson planning techniques** for voice modulation and accent neutralisation
- In-depth training on the **International Phonetic Alphabet (IPA)** as an essential teaching tool
- Exclusive access to the **Cambridge Veritas App** with integrated progress tracker
- Personalised **daily feedback** from expert trainers to accelerate your learning
- Cutting-edge **digital tools**, including speech analyser software, to enhance your vocal skills
- All-inclusive **training materials**, ensuring you have everything needed for success

All participants who complete this course will be sent a hard-copy certificate of participation.

🌟 Age: 18+ (adult learners) 🌟 Fee: INR 29,999/- 🌟 Time: Subject to seat availability

Note: A nominal fee applies for printed certificates. Digital certificates are provided at no extra cost.

Cambridge Veritas' Voice & Accent Trainer Certification really opened my eyes. Not only did my teaching skills improve, but my career took off too. I landed a better-paying job at a top corporate firm, and I'm now known as one of the best accent trainers in my company. My students get results fast, and word has spread. I'm so glad I invested in this course - it's paid off big time, both for my skills and my wallet!

Success Stories

Methodology

At our **prestigious institute**, we believe in **hands-on learning**. Our approach combines **theory with real-world practice**. You'll work in small groups, getting **personalized feedback from expert trainers**. With only **15 participants per batch**, you'll receive **individual attention** to perfect your skills.

Trainers

Our trainers are **voice and accent experts** with **global experience**. They hold advanced degrees in linguistics and have worked with Fortune 500 companies. You'll learn from professionals who have trained celebrities and **CEOs** in accent modification.

How will this course benefit you?

✓ During this exclusive course, you will:

- Master the art of **accent neutralisation** for various English dialects
- Learn to use cutting-edge **voice analysis software** for precise accent coaching
- Develop **customised lesson plans** for different accent modification needs
- Network with **elite trainers** from around the world
- Receive a **toolkit of proprietary techniques** used by top voice coaches

✗ **On this course you will not:**

- Learn basic English grammar or vocabulary.
- Discuss **general teaching methods** not specific to voice and accent training.

Why

become a Voice & Accent Trainer?

Voice & Accent Trainers are in high demand globally. You can help people achieve their dreams of clear communication, whether for **international business, acting careers, or personal growth**. With our **certification**, you'll join an **elite group of trainers** sought after by **multinational corporations and Hollywood studios**.

** This course is only designed for Teachers & Trainers**

DESIGNATIONS

Corporate Trainer

Lead Accent Trainer

Voice Coach

Curriculum Developer

Each day will be divided into the following sections:

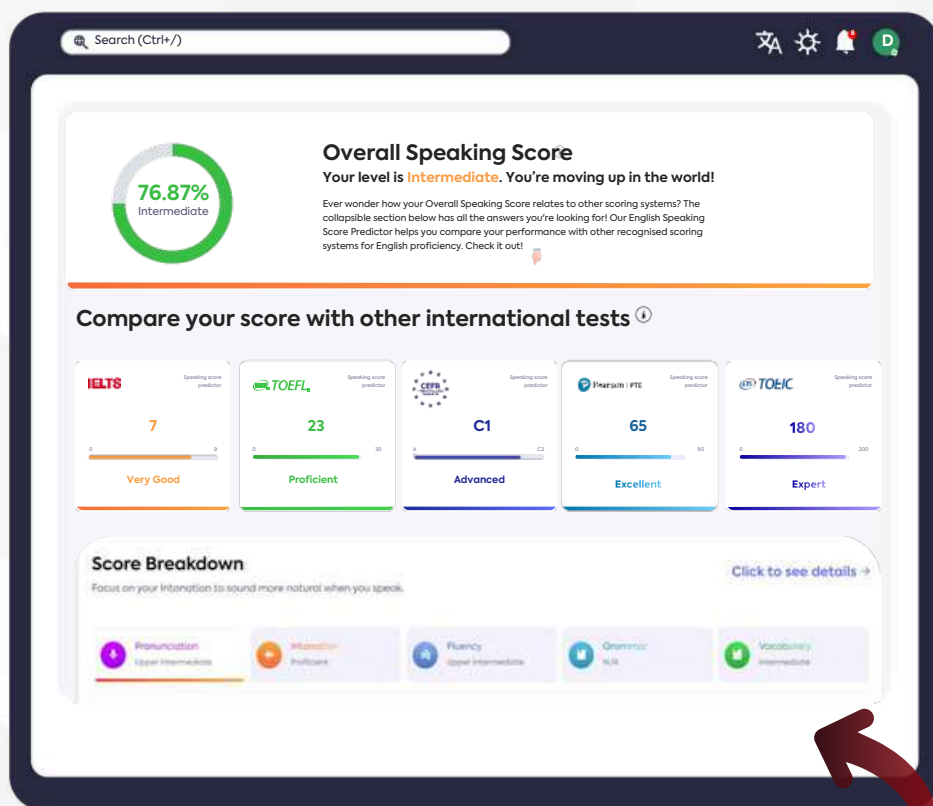

Teaching resources

We provide **top-quality materials** to help you become an **expert voice and accent trainer**. Our resources cover everything from phonetics to **practical teaching techniques**. With these tools, you'll confidently guide learners to speak clearly and expressively.

Trainer Dashboard

Our exclusive **trainer dashboard** is your command center for success. It tracks your progress, provides instant feedback on your performance, and offers personalised tips to **enhance your skills**. Stay ahead with our **cutting-edge voice analysis tools**.

AI Speech Analyzer:

Our **AI-powered feedback system** provides instant, personalised suggestions to improve accent and pronunciation. Our exclusive collection of **real-world speaking prompts** puts theory into practice. Students engage with natural contexts, from job interviews to social situations.

Your Success Our Reward

Voice & Accent Trainer Certification really changed my life! I used to be just a regular language tutor, barely making INR 40,000 a month. But after I got certified, things took off. In just six months, I scored a job as a **corporate trainer** and my **pay shot up to INR 80,000**. This course didn't just fatten my wallet - it opened up a whole new world for me in language training. If you're thinking about getting into voice and accent coaching, trust me, this certification is totally worth it. It's been amazing for me!
